

## **Icon Offshore CEO, COO on six-month 'leave'**

Oil-and-gas service provider Icon Offshore Bhd has granted CEO Dr Jamal Yusof and his brother, COO Rahman Yusof, a six-month leave of absence from April 27.

The company told Bursa Malaysia this would enable them to focus on assisting the relevant authority in ongoing investigations. In their absence, the Icon Offshore board has agreed deputy CEO Captain Hassan Ali will discharge the duties of the CEO. The duo are assisting in investigations by the Malaysian Anti-Corruption Commission.
